

Geography: Section 4 - Homework

Impact of Air Pollution

Activity One

Think back to the lesson you did on the impact of air pollution on our health, the economy, plants and animals and the wider environment. Write down keywords and ideas that you remember from that lesson. Aim for 10 words/ideas.

Keywords and Ideas

Activity Two

Using your knowledge of the impact of air pollution create an acrostic poem. Choose one of the following words to be the basis for your poem. Write your poem in the space below

Acrostic Poem
